PRESENT:

THE HONOURABLE THE ADMINISTRATOR
IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through

the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subject, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, Turkish, or Bulgarian subjects resident in Canada at the commencement of the war and during the war.

And that the Orders in Council herein, Nos. 741 and 1201, be rescinded.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

5. This information must be given on the Preliminary Information Form supplied by the Board, blank copies of which may be obtained on application to the Soldier Settlement Board, Ottawa, or to any of its Local Representatives, who, if so desired, will assist the applicant in filling out the form.

Discharge Papers.

6. In the case of an applicant who has served in the Canadian Expeditionary Forces, the Board will consult the Militia Department concerning his standing; in all other cases the applicant must forward his certificate of honourable discharge (registered mail only is advised for this purpose), or a copy thereof duly certified by the Local Representative or by a Notary Public, or such other evidence as may be necessary in order that the Board may pass upon the applicant's status.

Attestation as to Right.

7. Upon the applicant's right as a settler being satisfactorily established, a statement in the form of an "attestation" of such right, signed by the Chairman of the Board, shall be issued to the applicant. Such attestation shall not be transferable and shall be surrendered when formal application for entry is made under these regulations.

RESERVATION OF LANDS.

Reservation of Lands.

8. The Board may request reservation of available Dominion lands for the purposes of the Act.

Lands especially set apart.

9. In the event of any parcel of land reserved under the Act being required for some specific purpose in connection with soldier settlement, or being particularly valuable on account of its location or otherwise, or with respect to which it is ascertained that some person has a right the existence of which was not known at the time the land was reserved for soldier settlement, the Board may withhold such parcel of land from general disposition under soldier entry, whether before or after such parcel has been available for entry, and set apart the same for such disposal as may be deemed proper.

Cancellation of Reservation.

10. If, in the opinion of the Board, any parcel of land which has been reserved under the Act is not suitable for the purpose of soldier settlement, the Board may request the cancellation of such reservation.

Lapse of all Reservations.

11. All reservation of lands under the Act shall lapse three years after the close of the present war.

Timbered Lands not open to Entry.

12. Land containing more than 2,000 feet B.M. to the acre of merchantable timber is not open to entry until a report made by a Timber Inspector has been submitted to the Department, and if entry is obtained for land which, though not reserved at the time, is ascertained to be valuable on account of merchantable timber upon it, the entry may be cancelled; provided that in case an entry is so cancelled no compensation shall be made to the entrant for the value to him of the timber on the land.

LANDS OPEN TO ENTRY.

Surveying and Advertising—Thirty Days' Notice in Case of New Surveys.

13. No land shall be open for entry under the provisions of these regulations until it has been surveyed in accordance with the provisions of "The Dominion Lands Survey Act," and until notice that it is to be open for entry upon a date to be set forth in the notice has been posted for at least thirty days in the Land Office of the District in which the land is situated, and has been published in at least one newspaper in that district and in one newspaper in the Provincial capital, and the printing and publication of the notice shall be made in such a manner as is determined by the Board.

It shall be the duty of the Agent, when requested to do so by the Board, to advertise any newly surveyed land reserved under the Act, and to post notices promptly in his office and in each of the offices of the Sub-Agents in his district.

Ten Days' Notice in all other Cases.

14. In the case of other than newly surveyed lands the Agent shall, when notified by the Board to make any land available for entry under these regulations, advertise such land for ten clear days, unless otherwise directed by the Board, by posting a notice in his office, available for public inspection, giving date and hour of the posting and the date on which the land will become available. Such notice shall be in the form prescribed by the Board, and a copy of same shall be promptly mailed by the Agent to each of the Sub-Agents and to Representatives of the Board in his district, and to the Postmaster nearest the land, to be posted in their respective offices.

Soldier Entry on Reserved Lands.

15. Lands reserved under the Act which in the opinion of the Board are of a class suitable for the general purposes of soldier settlement shall, except as herein provided, or as otherwise determined by the Board, be made available for soldier entry from time to time to any settler who is eligible to make such entry under these regulations.

Homestead Entry on Reserved Lands.

16. Except as herein otherwise provided, any land reserved under the Act which is available for soldier entry shall not be deemed reserved as against any person who, being a settler or a member of any body or force serving with the Forces of Great Britain or of any of her Allies during the present war, is desirous of exercising his homestead right thereon, under the provisions of the British Columbia Dominion Lands Regulations.

Soldier Entry on Lands not reserved.

17. The right of soldier entry may be exercised by any settler qualified as such under the Act on any parcel of land which, although not reserved for the purposes of the Act at the time, is open to homestead entry under the provisions of the British Columbia Dominion Lands Regulations. An application for soldier entry on such land by any person eligible shall *ipso facto* reserve the same for the purposes of the Act.

Information as to Lands.

18. General information concerning lands for soldier settlement may be obtained by any prospective settler on application to the Soldier Settlement Board, Ottawa, or to any Representative of the Board elsewhere.

Precise information as to whether any particular parcel of land is open to soldier entry may be

secured on application to the Agent of Dominion Lands for the district within which the land is situated.

APPLICATION FOR ENTRY.

Office of Record.

19. Application for a soldier entry may be made in the form prescribed by the Board by the holder of an attestation under the Act at the office of the Agent of Dominion Lands for the district within which the land is situated, which shall be the office of record for soldier entries for such district.

Application made elsewhere.

20. Application for a soldier entry may be made also before any Agent or Sub-Agent of Dominion Lands or before a Local Representative of the Board or any other person authorized by the Board to receive such application for transmission to the office of record, but any application so made shall have no force or effect until received at the office of record.

Notice may be wired.

Provided that where an application for a soldier entry is so made, the person receiving the same may, at the expense of the applicant, wire notice of receipt of the application to the office of record, whereupon, if the land is available, it shall be held for the applicant until the application papers are received.

No Second Application.

21. Where an application for soldier entry is made at any place other than the office of record, the person receiving the application shall not receive another application for entry on the same land until the first application has been disposed of by the office of record.

Personal Application.

22. Every application for a soldier entry shall, except as hereinafter, be made by the settler in person.

Application by Proxy.

23. Application for entry by proxy is permitted only in the case of a person making entry on behalf of a husband, wife, father, mother, son, daughter, brother, or sister, when duly authorized to do so in the form prescribed, or in the case of a person who, for special reasons, has been given permission by the Board to make entry on behalf of a settler.

The proxy must appear before the Agent of Dominion Lands for the district; Sub-Agents and Local Representatives are not authorized to accept applications for entry by proxy.

The settler on whose behalf such entry is made must, before the expiration of six months from the date of the entry, appear personally before the Agent and satisfy him by declaration that he is already in residence or on his way to commence such residence, and in the latter case that he will be in residence before the end of six months. Should he fail to make appearance, the Agent shall, unless otherwise determined by the Board, cancel the entry without notice at the end of six months from the date of entry.

Time.

24. Application for soldier entry shall be made only during the regular office hours on every day except Sunday and statutory holidays.

Declaration by Applicant.

25. Every applicant for a soldier entry shall make a declaration in the form prescribed by the Board that to the best of his knowledge and belief the land with respect to which his application is made is of the class open for entry and that there is no one in residence thereon, and shall state the improvements on the same, if any, and the value thereof; provided that where such declaration is subsequently found incorrect in any material particular, the entry shall be liable to cancellation.

No Fees.

26. No fees shall be charged in connection with a soldier entry, but the applicant may be required to pay the value of the improvements, if any, on the land, and any charge or indebtedness against the land.

Application for Lands not available.

27. An application for entry on land which is not available for entry at the time the same is made shall not give the applicant any priority of right in the event of the land becoming available.

CERTIFICATE OF ENTRY.

What constitutes Entry.

28. When application is made in the manner hereinbefore described for land open to entry under the provisions of these regulations, the Agent, or officer acting for him, shall accept it and issue to the applicant a certificate of entry, and the acceptance by the Agent, or officer acting for him, of the said application and the issue of the certificate of entry shall constitute a soldier entry under the provisions of these regulations.

Certificate.

29. The certificate of entry shall entitle the recipient to take, occupy, use, and cultivate the land entered for, and to hold possession thereof to the exclusion of any other person, and to bring and maintain actions for trespass committed on the said land; and the land shall not be liable to be taken in execution before the issue of letters patent therefor; provided that occupancy, use, and possession of land so entered for shall be subject to the provisions of the Act, or the regulations thereunder or amendments thereto.

PRIOR RIGHT OF ENTRY.

Squatting—Squatter and Adjoining Settler.

30. Occupation of any Dominion lands by squatting thereon without entry or without the authority of the Department, whether the lands are open for entry, leased, reserved, or held under entry, gives to the squatter no right thereto, and he may be ejected as a trespasser and his improvements forfeited to the Crown. Squatting on lands valuable for timber or which are in a timber berth, whether timbered or not, will give no right either to the land or timber and will result in ejectment proceedings and loss of improvements.

Squatter before Survey.

31. A person desirous of taking up land by squatting before the survey thereof must first notify the Dominion Land Agent and ascertain whether the land would be otherwise available when surveyed.

One Day Priority to Adjoining Settler.

32. On the day on which any land is to be made available for entry after being advertised or posted in the manner hereinbefore described the privilege of entry thereon shall be restricted to a settler eligible to make entry who holds an adjoining quarter-section under homestead or soldier entry, or who obtained homestead patent for such quarter-section and is still the owner thereof, or who, having obtained authority to do so, is a squatter on such quarter-section.

CONFLICTING CLAIMS.

Determining Priority.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

Due Consideration of all Claims.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Application before Sub-Agent.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a Local Representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by

reason of the priority of date of his entry for or commencement of residence on the adjoining homestead, has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or Local Representative has been received.

Sickness of Applicant.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Doubtful Cases.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

Land available to any Settler.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

CONDITIONS OF ENTRY.

Area.

36. A soldier entry shall be for not more than a quarter-section of 160 acres, more or less.

Mineral and Water Right.

37. A soldier entry shall convey no right to salt, coal, petroleum, natural gas, gold, silver, copper, iron, or other minerals within or under the land covered by such entry, nor to the bed, shores, or waters of any watercourse, and is subject to rights-of-way for ditches or water-conduits existing or previously applied for.

Improved Lands.

38. Entry for land on which there are improvements may be granted only subject to payment by the entrant of the value of such improvements, as determined by the Board. Should the entrant fail to pay such value, his entry may be cancelled.

Seed-grain and other Charges.

39. Entry for land against which there is a charge in favour of the Crown may be granted only subject to the payment by the entrant of such indebtedness.

Reservation for Roads.

40. Every soldier entry shall be granted subject to the right of the Province to take without compensation at any time prior to the issue of letters patent any land which may be required for road purposes, not exceeding one-twentieth of the total area covered by the entry as provided by the regulations with regard to the establishment of roads in the Forty-mile Railway Belt.

Entry for the Sole Use of Settler.

41. Every entry shall be for the sole use and benefit of the holder of the same and not for the use or benefit of any other person or persons whomsoever.

Declaration as to Duties.

42. The Board may, if deemed necessary, require the holder of a soldier entry to furnish proof, by declaration or otherwise, that he is duly performing his settlement duties in each year subsequent to the date of his entry.

Lands valuable for Timber.

43. Lands containing valuable timber are not open to homestead entry. Lands containing less than 2,000 feet B.M. of merchantable timber to the acre are not classed as timber lands. Lands thought to contain merchantable timber in excess of 2,000 feet to the acre must be inspected by a Timber Inspector and the report submitted to the Department before the land is disposed of. A settler may be required by the Agent to make a

statutory declaration as to the quantity of merchantable timber which is on the land applied for, and at the discretion of the Agent he may withhold the land from entry until a special inspection has been made by a Timber Inspector and the case submitted to the Department for decision.

Lands required for Water-supply, etc.

44. If, after an entry is obtained, it is ascertained that the land entered for, or any portion thereof, is necessary for the protection of any water-supply or for the location or construction of any works necessary to the development of any water-power, the Board may, at any time before the issue of letters patent, cancel the entry or withdraw from its application any portion of the land entered for, but where the land is required for the location or construction of works necessary for the development of any water-power, only in so far as the land is necessary for that purpose; provided, however, that no entry shall be cancelled under the provisions of this paragraph until the entrant has been compensated for any improvements made by him upon the land, the amount of such compensation to be fixed by arbitration if the entrant refuses to accept the compensation allowed by the board.

SETTLEMENT DUTIES.

General Requirements.

45. Every holder of a soldier entry shall, except as hereinafter otherwise provided, be required before the issue of letters patent:—

(a.) To have held the land for his own exclusive use and benefit for three years:

(b.) To have resided thereon or in the vicinity thereof, as hereinafter provided, for at least six months in each of three years from the date of entry or the date of commencement of residence:

(c.) To have cultivated in each year such area of the land entered for as is satisfactory to the Board:

(d.) To have erected a habitable house:

(e.) To have paid in full the loan, if any, and interest thereon made to him on the land entered for under the provisions of the Soldier Settlement Loan Regulations, and other charges, if any:

(f.) To be a British subject, except as otherwise provided.

Perfecting Entry.

46. Every entrant shall be required to perfect his entry within six months from the date thereof by taking possession in his own person of the land, and by beginning residence thereon, and if the entry is not so perfected within that period it shall be liable to cancellation:

Provided that on cause shown the Board may extend the time for perfecting an entry for an additional six months.

Residence.

47. "Residence," for the purpose of these regulations, shall be by the settler in person upon the land entered for or in the vicinity thereof, as hereinafter provided. Such residence shall be in a dwelling-house which is the actual home of the settler during such period of residence. Residence by a member of the settler's family or by any other person as proxy on his behalf will not be accepted.

Vicinity.

48. The entrant may perform the required residence duties by living on a farm situated within a distance of nine miles from the land entered for, in a direct line, exclusive of the width of road allowance crossed in the measurement, in the following cases:—

(a.) If he is the sole owner of such farm:

(b.) If such farm is held by him under homestead entry or otherwise under the provisions of the British Columbia Dominion Lands Regulations:

(c.) If such farm is owned solely and occupied by the father, mother, wife, husband, son, daughter, brother, or sister of the entry, or if it is held and occupied by such relative under the provisions of the British Columbia Dominion Lands Regulations.

Concurrent Residence not counted.

49. Provided any period of residence claimed by a settler towards obtaining patent for any land held by him under the British Columbia Dominion Lands Regulations cannot at the same time be

counted as residence in connection with his soldier grant.

CULTIVATION DUTIES.

If Residence on Grant.

50. Dry Belt: In the Dry Belt of the Kamloops Division, unless the land is difficult to clear and cultivate on account of timber, a settler who resides on his homestead is required to break a total of at least 30 acres of the homestead (of which 20 must be cropped) before applying for patent. A reasonable proportion of the cultivation duties must be done during each year.

If Residence in Vicinity.

Where residence is performed in the vicinity in accordance with the regulations the total required to be broken is at least 50 acres (of which 30 must be cropped).

If Residence on Grant.

51. Timbered Districts: In the Revelstoke District and the timbered portions of the Kamloops District a settler is required to clear and cultivate 8 acres and rough-clear and cultivate 8 acres. For homestead of 80 acres or less, 4 acres thoroughly cleared and cultivated and 4 acres rough-cleared and cultivated are required. In the Coast districts 4 acres thoroughly cleared and cultivated and 4 acres rough-cleared and cultivated are required.

Clearing means the thorough removal of slash and stumps. Rough-clearing means slashing, piling, and burning, and seeding to grass or otherwise cultivating between the stumps.

If Residence in Vicinity.

Where residence is performed in the vicinity in accordance with the regulations the cultivation duties are increased by one-half—namely, instead of 8 acres thorough clearing and 8 acres rough clearing, 12 acres thoroughly cleared and cultivated and 12 acres rough-cleared and cultivated are required; and for homesteads of 80 acres or less, 6 acres thoroughly cleared and cultivated are required.

Thorough Clearing accepted as Rough Clearing.

52. Additional thorough clearing to the extent of one-half of the amount of rough clearing required is accepted in lieu of rough clearing.

Cultivation to be done in Three Years.

53. Cultivation must be done in each of three years, during two of which the breaking must be in crop.

Rough and Wooded Lands.

54. Within the Forty-mile Railway Belt of British Columbia where owing to the character of the land the requirement with respect to cultivation as stated would appear to be excessive, the Minister may reduce the area required to be cultivated, after the land has been inspected by an officer of the Department of the Interior.

DECEASED ENTRANTS.

Completion of Duties by Legal Representative.

55. In the event of the death of any person holding entry under these regulations before the completion of these requirements for obtaining patent, the requirements as to residence shall be waived. The requirements other than residence and naturalization shall be completed by the legal representative of such deceased entrant.

Unperfected Entries.

56. If the entrant dies before perfecting the entry in the manner prescribed by these regulations, his entry shall be liable to cancellation. The Board may, however, on satisfactory assurance being furnished that the estate will be administered, and that the requirements of the regulations will be complied with, extend the time for the performance of duties.

Insane Entrants.

57. In the event of an entrant becoming insane or mentally incapable, and by reason of such insanity or mental incapacity unable to complete the requirements for obtaining patent, the requirements as to residence and naturalization are waived. The requirements other than residence may be completed by his guardian, or committee, or any other person who, in the event of his death, would be his legal representative.

PATENT.

Proof of Completion of Duties.

58. After the completion of the settlement duties hereinbefore prescribed, the settler may file proof of the completion thereof. Such proof shall be in the form of a sworn statement by the entrant, corroborated by the sworn statement of two disinterested parties resident in the vicinity. The statement of the applicant and his witnesses shall be given before an officer duly authorized by the Board to receive such evidence.

Deceased and Insane Entrants.

59. In the event of the death of an entrant, or in the event of an entrant becoming insane or mentally incapable, the proof of the performance of the conditions of the grant shall be made by such person or persons and in such manner as may be satisfactory to the Board.

Forfeiture of Right on Failure to submit Proof.

60. If the proof of the completion of the conditions of entry has not been furnished as herein prescribed within five years from the date of entry, the right of the entrant in connection with the land entered for shall be liable to forfeiture on the order of the Board.

Patent.

61. If the proof of the fulfilment of the conditions of entry has been submitted as herein prescribed, and such proof is satisfactory to the Board, the Board will, if there is no charge against the land by reason of a loan granted under the Soldier Settlement Loan Regulations, recommend the issue of patent to the entrant, or, in the event of the death of the entrant, in the name of his legal representative, or in the name of the deceased direct, if the law of the Province within which the land is situated makes no provision for the appointment of a personal representative.

No Patent until Loan repaid.

62. If the proof of the performance of the settlement duties has been accepted by the Board, but there is a charge against the land for advances made under the Act, the Board will withhold the issue of patent for such land until such time as the charge has been removed.

Certificate as to Proof.

63. In the cases mentioned in the preceding section the entrant, or, in the event of his death, such person as would be entitled to receive patent, had all the conditions been completed, may receive a certificate from the Board setting forth that the requisite settlement duties have been completed, and that upon the indebtedness incurred under the Act being discharged, patent shall issue in the name of the person entitled to receive the same under these regulations.

INTERCHANGE OF ENTRIES.

When Two Settlers may interchange.

64. For cause shown any two entrants whose entries are in good standing may be granted permission by the Board to interchange their respective entries, provided the Board is satisfied that the security furnished by a settler who has obtained a loan under the Act will not be impaired by such interchange.

ABANDONMENT OF ENTRY.

Abandonment and Re-entry.

65. An entrant may, in the discretion of the Board, be granted permission to abandon the land entered for him upon executing a declaration in the form prescribed by the Board and obtain permission to make another entry for any land available for the purpose.

In Case of Loan.

66. Where the entrant, having secured a loan from the Board, has created a charge or lien on the land entered for which has not been discharged, the privilege of abandonment and re-entry may be granted only subject to the transfer of such indebtedness to the land on which re-entry is to be made and only where the Board is satisfied that the security for the loan will not be impaired by the transaction.

Abandonment in Favour of a Relative.

67. Where an entry is in good standing, the entrant may, in the discretion of the Board, be granted permission to abandon the land held under entry in favour of a father, mother, sister, daughter, brother, wife, or husband, if eligible to make a soldier entry under these regulations, subject to such terms and conditions as the Board may prescribe.

CANCELLATION OF ENTRY.*Reason for Cancellation.*

68. An entry may be cancelled for any of the following reasons:—

(a.) If the entrant fails in any year to perform the prescribed settlement duties:

(b.) If entry has been obtained or granted through error, or misrepresentation, or other fraud:

(c.) If an entrant, being one who has obtained a loan from the Soldier Settlement Board, fails to pay the instalments of principal and interest at the times when they are payable, or fails to comply with any term or condition subject to which the loan is made:

(d.) If he fails to pay for improvements or any charge outstanding against the land in connection with seed-grain, relief, or other liability of any previous entrant or holder of the land:

(e.) If an entrant has assigned, mortgaged, or transferred, or agreed to assign, mortgage, or transfer, the land held by him under entry, unless otherwise provided.

Effect of Cancellation.

69. Where an entry has been cancelled for any reason, all the rights of the entrant with respect to the land held by him shall thereupon cease and determine; but the Board may, at its discretion, refund to the person responsible for the improvements, in whole or in part, the money collected on account of such improvements from any subsequent holder or occupant of the land.

Administration.

70. In respect of such of the foregoing regulations as have reference to the reservation of lands, and the cancellation of such reservations, the classes of lands open to entry, the advertising or posting of lands, the granting of entry, the settlement of conflicting claims to land, the performance of the conditions of entry, the proof of the completion of duties, the issue of patent, the interchange of entries, the abandonment of entries either unconditionally or in favour of a relative, and the cancellation of entries, wherever it is provided that action is to be taken by the Board, such action will be carried out through the Department of the Interior.
